The Gibbons Company is seeking highly motivated individuals with a proven track record of providing excellent customer service in the following position for its MAC cosmetics store:

RETAIL MANAGER

A minimum of five years cosmetic retail experience is required, with two or more years MAC senior management experience. Must have strong selling skills, demonstrate outstanding customer service and the ability to achieve sales targets and manage expenses. Must be able to develop and maintain accurate and appropriate stock levels and have the ability to analyze complex retail inventory and supervisory skills and the ability to effectively develop the MAC team. Excellent oral and written communication skills, a professional attitude and the ability to be flexible and deal with change are required.

The candidate will be required to demonstrate their artistry and must be willing to travel overseas and/or attend training in Bermuda for new product introductions.

Flexibility in work hours is essential. A five day work week includes every Saturday.

An excellent staff benefit package includes major medical plan, life insurance plan, group company pension plan, group savings plan with advantageous interest rate, employee discounts at The Gibbons Group of Companies, plus more. Compensation includes salary plus commission.
