AII Insurance Management Limited

An AmTrust Financial Company

requires a

Financial Controller

AII Insurance Management Limited ("AIIM") and its affiliate AmTrust International Insurance, Ltd. a Class 3B insurer ("AII" or the "Company"), subsidiaries of NASDAQ listed AmTrust Financial Services, Inc. (Ticker: AFSI), seeks a Financial Controller for a newly created role. The position will report to the Chief Financial Officer of the Company. The role will require an individual to work on their own initiative, supervising a growing finance team and ensure the Company meets its strict reporting deadlines:

Key responsibilities of this role will include but not be limited to:

- Oversee the day to day management of the finance team
- Manage the operations and maintenance of the general ledger, insurance transactions, investment accounting, period close process, subsidiary accounting and consolidation
- Prepare monthly and quarterly account reconciliations and ensure accurate and timely reporting of all subsidiaries for internal and external reporting
- Manage the preparation of the Annual Regulatory reporting including development of the GAAP financial statement process, quarterly and annual regulatory and group GAAP financial statements, and assisting where required with the subsidiary financial statement processes
- Liaise with the Parent's accounting team for quarterly reporting and group consolidation
- Oversee the preparation of budgets, forecasts, cash flows and capital management
- Manage and report on compliance with group finance policies and procedures, internal controls and systems, ensuring consistency of application
- Management of process improvement and special projects

Minimum Qualifications, Skills and Experience:

- Candidate should possess a degree in business or finance and a professional accounting qualification (CPA, CA, ACA, ACCA) with a minimum of five years' experience in a senior insurance accounting role
- Detailed knowledge and experience of US GAAP for insurance accounting
- Experience in preparation of consolidated financial statements
- Experience of investment management and accounting
- Knowledge and experience of BMA financial and prudential regulatory reporting
- Must possess excellent organizational experience and proven team leadership skills
- Ability to manage and liaise with US and European finance teams, Parent, Auditors and service providers
- Strong interpersonal, people development and communications skills
- Knowledge of Spanish would be an asset
- Strong analytical skills and extensive knowledge of accounting software packages, (e.g. Oracle General Ledger) Microsoft Excel and Word, with proficiency in other Microsoft Office suite applications

Applicants should respond no later than August 8, 2016 by email with a detailed CV (Must indicate Bermudian, Spouse of Bermudian, PRC holder or Non-Bermudian) to:
