

Butterfield & Vallis

Sales Manager (FSD)

The Food Service Division at Butterfield & Vallis has strategically separated the management of its sales group into 2 key areas; Customer Relationship and Sales Performance.

Consequently a new position exists for an experienced Sales Professional. The successful candidate will be expected to demonstrate a history of past success as an indicator of their suitability for the role.

Duties will include:

- Establishing targets.
- Monitoring performance.
- Improving sales expectations.
- Generating positive results.

Since a group of sellers will report to the Sales Manager applicants must:

- Possess strong interpersonal skills.
- Have strong verbal and written communication skills.
- Have high standards and strong organizational skills
- Have excellent computer skills.

Butterfield & Vallis is an equal opportunity employer with a “Drug Free Workplace” Policy.
