

**CHIEF TECHNOLOGIST INFRASTRUCTURE**

**COMPANY DETAILS:**

Orbis is a Bermuda-based investment company managing long-only equity and absolute return funds. Orbis strives to attract talented individuals who have demonstrated an ability to excel.

**ROLE & RESPONSIBILITIES:**

The Chief Technologist Infrastructure will lead a team responsible for strategic planning, technical design and configuration of Systems security, and WAN/LAN architectures and associated database, supporting the OrbisAccess financial retail web platform. This will involve designing, planning, supporting and optimizing network, security and systems hardware, software and services. Specific duties will include, but are not limited to, initiating and managing vendor relationships, developing board level presentations and training infrastructure IT staff.

**KEY STRENGTHS:**

Accurate with a keen attention to detail. Able to quickly investigate, abstract and understand complex systems. Positive attitude, combined with an honest and trustworthy manner. Extremely self-motivated with demonstrated good judgment and a methodical approach to problem solving. Excellent communication skills and organizational skills.

**TECHNICAL QUALIFICATIONS:**

Minimum of 10 Years progressive technical experience in IT Network/Security/Systems engineering with extensive background in designing Network, Systems and Security solutions including significant experience in the design and development of Networks, Firewalls, Intrusion Detection, Enterprise Web and Messaging infrastructures. The successful candidate should possess a first-class academic record with, at minimum, a Bachelor's Degree in Computer Science (or equivalent technical certifications), and must have in-depth knowledge of Security, WAN/LAN network design and configuration. MCSE, CCNA, CCDA, CCSP, CCSE, CCEA certifications and Security designations are also a plus.

**SUBMISSION DETAILS:**

Applications will be dealt with in strict confidence and interested candidates should apply in writing or via email with a detailed résumé to:
