

ENERGY PROPERTY UNDERWRITER

Oil Casualty Insurance, Ltd., a Bermuda based insurance company, is looking to expand through the introduction of other energy focused product lines and is seeking to recruit an Underwriter experienced in writing property insurance in the energy sector. This is a newly created position that offers an exciting opportunity to join a well-established company looking to grow through product diversification. Reporting to the Senior Vice President & Chief Operating Officer of OCIL, responsibilities will include the following:

- Assist the COO in developing various components of the strategic initiatives currently underway.
- Lead the research, analysis and development of a formal business plan around this property insurance initiative to determine the most effective options.
- Assist the COO and Board of Directors in the execution of key action items including the various product offerings.
- Take a lead role in the underwriting and marketing of new products.
- Interact and negotiate with reinsurance companies, brokers and energy companies.
- Work with COO, General Counsel and Chief Actuary in evaluating the acceptability of new assumed reinsurance programs; including contract review and work processes

ability and educational background or equivalent career experience to support OCIL's Chief Operating Officer in the execution of this expanded business line. A compensation package commensurate with experience will be offered for this position.

OMSL is an equal opportunity employer and is committed to training and developing its employees. If your experience, talents and ambitions match our requirements, we want to hear from you.

Please apply in confidence and in writing, including your resume and a detailed cover letter setting out why you are a good fit for this role, by email to: **hr@omsl.bm**

CLOSING DATE: WEDNESDAY, JANUARY 18th 2012

The successful applicant will be a property underwriter experienced in the energy sector with knowledge of the lines of insurance customarily purchased by medium and large energy companies (i.e. property/BII, OEE, etc) with broad experience, 5+ year's minimum underwriting experience, preferably in the Bermuda and/or London market. This successful candidate will possess the drive,
