

MAIATO ENTERPRISES

Is seeking to employ the following:

Full Time Skilled Landscape Gardener

Applicants must possess at least 3 to 5 years of continued experience in all areas of landscaping which includes but not limited to mowing, seeding, fertilizing, preparing grounds for planting trees, shrubs, plants and cutting hedges. The successful candidates will need to possess good working knowledge of all landscaping tools. A working knowledge of the construction of garden features would also be advantageous.

It would be beneficial if the applicant possesses a valid heavy truck license with a clean driving record or is willing to obtain one.

Applicants must be reliable, good timekeepers as work begins at 7:30am daily, have own transportation, be motivated, able to work unsupervised and willing to work overtime, weekends and public holidays if required. Applicants may be required to take a drug test. Due to the sensitive nature of our business applicants must have clean criminal record.

Please send resume along with 3 letters of reference to:
