

ARTEX RISK SOLUTIONS (BERMUDA) LTD.

ASSISTANT VICE PRESIDENT - FINANCE

Artex Risk Solutions (Bermuda) Ltd. is a subsidiary of Arthur J. Gallagher & Co., the 4th largest insurance brokerage in the world. At Artex Risk Solutions, we specialize in the development and management of alternative risk financing solutions for our clients. This includes, but is not limited to, single parent captives, group captives, pools, risk retention groups and large deductible programs.

Due to expansion in the captive management area, we wish to recruit an individual to manage the affairs of a number of captive clients, providing them with a broad range of financial, investment and administrative services. Responsibilities will include the preparation of financial statements, manage client meetings, regulatory compliance, account administration, audit preparation and oversight, and the presentation of financial reports to our client Boards.

The following will be required of the successful candidate:

- a recognized professional accounting qualification (CA, CPA or ACCA);
- preferably a minimum of two years' experience in the captive insurance industry;
- have an excellent working knowledge of computer based ledger systems and windows-based applications such as Excel, Word and Outlook;
- be highly motivated and able to work to tight deadlines with minimum supervision;
- possess excellent written, oral communication and presentation skills;
- be innovative in the introduction of work/system improvements;
- a willingness to travel.

This is an ideal opportunity for the right individual to join an expanding operation and grow with it.

Please apply in writing, detailing your specific experience in all of the above areas, and attach a full resume to:
