

The Royal Gazette Limited

invites qualified applications for the position of

INFORMATION SYSTEMS TECHNICIAN

Applicants must be conscientious and dedicated, and have the ability to work unsupervised in a demanding and a deadline driven environment. Suitable applicants must have at least three years experience with the following:

- Microsoft (Windows XP, Server 2000/2003/2008) & Macintosh Operating Systems.
- Networking protocols & hardware.
- Microsoft Office Suite of products (Word, Excel, etc.), and popular graphics software.
- Experience with Exchange Server 2007, VMware, IBM Blade servers, SANs and NAS.

Duties will include, but not limited to, providing LAN user support, daily server backups, liaison with overseas vendors, installing and configuring workstations and print devices, and training staff.

Suitable applicants should possess a minimum of MCSE 2003 certification, with a view to attaining MCITP and MS Exchange Server 2007/2010 certification.

Familiarity with computer-to-plate systems would be an asset.

Hands-on experience administering a VoIP system.

Hands-on experience with Cisco/Nortel switches, routers, and firewalls.

Must be able to be on-call 24/7, work weekends, unsociable hours and occasionally on public holidays.

Applications, along with resumé, should be sent to:

Production Manager: Pre-press & Computer Systems
Royal Gazette Limited, P. O. Box HM 1025, Hamilton HM DX
or email: hrobbins@royalgazette.bm

Class date for applications is January 27th, 2012
