

## **ASSISTANT WAREHOUSE MANAGER**

Viking Food Ltd. is a local company engaged in the importation and distribution of chilled and frozen food products. We are seeking a person with at least five years experience working in a busy warehouse to assume the position of Assistant Warehouse Manager.

The duties of this position will include supervision warehouse/delivery staff, the loading of trucks, scheduling of deliveries to customers, unloading and storage of goods from containers and any other duties as may be assigned by the warehouse manager.

The successful candidate will have a truck license and be fully experienced with the operation of forklifts.

The Company offers a career opportunity for the right individual.
