

Exciting Seasonal work opportunity

Marine Sales Representative

Job Availability April 1st - September 30th 2012

Ideally the successful candidate should have some retail sales experience with particular emphasis on Customer Service Skills. The successful candidate must be fit and energetic as some heavy lifting may be required.

Qualifications:

- A minimum of at least two years experience in a sales position.
- Experience with marine related hardware preferred but not essential.
- Excellent customer service skills.
- Ability to work under pressure in a sales environment.
- Must be computer literate for training on a POS System.
- Good written & verbal communication skills.
- Ability to work in a team environment.
- Must be able to work Saturdays.

Responsibilities:

- Assist customers with all inquiries and/or purchases, and with a polite, professional manner.
- Ring up all purchases on the POS register.
- Shelves must be kept well stocked and all display areas kept clean and tidy.
- Will be required to cut rope and chain at times for boating needs.
