Foreperson - Electrical Maintenance

Bermuda Electric Light Company Limited (BELCO) is pleased to invite applications for the position, Foreman, Electrical Maintenance in the Operations Group.

Job description: Implement daily work schedules, maintenance programmes as well as training and refresher programmes, assess work progress and investigate breakdowns. Another responsibility involves completing emergency work and occasionally carrying out practical maintenance skills.

Education and Experience Requirements:

- High school leaving certificate or equivalent
- City and Guilds Craft Certificate Level 2, National Certificate in Electrical Engineering or equivalent education
- Experience in a utility or an industrial environment in a supervisory capacity overseeing electrical maintenance crew with a minimum of three years experience at specialist or master electrician level
- Preferably certified in National Electric Code (NEC) 2008 and NFPA 70E Electrical Safety Code
- Working knowledge of engineering codes and recommended practices related to the installation and maintenance of electrical equipment
- Working knowledge of Microsoft Office (Word, Excel, PowerPoint).
- Proven supervisory skills
- Excellent verbal and written communication
- First-Aid Certificate
- Dependable/trustworthy
- Safety conscious
- Teamwork
