

Our client, **DE MORTIMER LTD.**, a wholesale business, is seeking the following:-

- **FIELD SERVICE TECHNICIAN:** Must be a self-motivated, team oriented person who can work with a minimum of supervision. Should have at least 3 years' experience in repair and maintenance of dishwasher, air conditioning and refrigerator systems as well as other small appliances and equipment. Should also have at least 2 years' experience with laundry injection systems. Educational qualifications would be an asset. As applicant will be required to make deliveries of product to costumers on a regular basis, a heavy license would be advantageous. Daily contact with clients is crucial so candidate must be professional, punctual, neat in appearance and interested in the business.
- **SALES PERSON:** Must be capable of assisting in the daily operations of a busy wholesale company. Must also be personable, honest, reliable, as well as customer and team oriented. Successful applicants will have previous experience in retail and wholesale product lines. Basic knowledge of repair work and also some heavy lifting may be required.

Both positions may involve weekend work. Solid employment history with verifiable references required. Send CV and at least two written references to:
