

Child Caregiver / Housekeeper

A kind and reliable person is needed to care for two young children and a busy household. Both children are in school and you will be required to drive them to and from school and other activities, so a valid driver's license or willingness to get one is necessary. You will also be responsible for some aspects of housecleaning, laundry and meal preparation. You will be required to work some weekends and evenings. We have two dogs, so you must be comfortable around dogs. We are an English-speaking household and only persons with fluent English will be considered.

Please apply in writing only, with two references.

Sacha Bearden,

P.O. Box 121, Warwick, WK BX

Closing date: February 28th, 2012
