

# New Venture HOLDINGS

Is seeking an experienced **Group Chief Financial Officer**

New Venture Holdings Limited is a privately-owned Bermuda holding company with investments in operating companies and commercial real estate in Bermuda and in other jurisdictions.

The Group Chief Financial Officer reports to the CEO and Chairman.

### **Specific responsibilities include:**

- Day-to-day and long-term financial reporting, management and planning at the operating and holding company levels, treasury functions, budgeting, cash flow forecasting, working capital management and compliance with regulatory agencies.
- Delivery and implementation of corporate strategy, in conjunction with the CEO and Chairman.
- Develop internal control policies and procedures of the group.
- Develop solutions to business challenges.
- Provide IT direction, selection, implementation and support for the group.
- Provide strategic financial input and leadership.
- Participate in the decision-making process for all issues affecting the group, including evaluation of potential acquisitions, corporate structure, and operational strategy.
- Maintain relationships with the company's bankers, auditors, insurers and legal advisors.

### **The successful candidate will possess the following qualifications and competencies:**

- Chartered Accountant with a minimum of ten years post-qualification experience in the areas of commercial real estate development and management, automobile dealerships and information technology.
- CFO level experience in an automotive dealership is essential.
- Proven track record of successfully selecting, configuring and implementing information technology systems in various industries.
- Experience selecting, configuring and implementing an integrated IT system for automotive dealerships is required.
- Extensive understanding of the business and tax issues of a Bermuda holding company doing business in other jurisdictions.
- Experience in connection with the purchasing and selling of operating companies.
- Broad-based understanding of internal control systems.
- Knowledge of reporting requirements (GAAP, Regulatory and Taxes) for organizations in Bermuda and in international environments across a broad range of industries.
- Proven track record negotiating credit facilities and long-term bank loans.
- An intelligent, financial professional who relates well with people at all levels of the organization.
- Energetic, forward-thinking and creative with high ethical standards.
- Self-directed individual who has "business savvy", diverse experience and talents.

Closing date for applications: **Wednesday, March 7th, 2012.**
