

---

**COMPANY DETAILS:**

Orbis is a Bermuda-based investment company managing long-only equity and absolute return funds. Orbis strives to attract talented individuals who have demonstrated an ability to excel.

---

**ROLE & RESPONSIBILITIES:**

The successful candidate will be working directly with the Global Manager of OrbisAccess (Retail) and will be responsible for (but not limited to) the following functions: conducting desktop and market research to develop business model for Asian markets, performing analysis (including complex Excel models) to support creation of innovative business strategies and facilitate decision making, working with software developers (potentially based out of Asia) to define and implement innovative features, and liaising with vendors (likely be in a local Asian language) to ensure quality and timely delivery.

**KEY STRENGTHS:**

Team player. Positive Attitude. Honest and reliable. Analytical and quantitative. Self-starter. Demonstrated good judgment. Diligent. Able to think quickly and clearly. Excellent communication in both English and Asian languages, reporting and organizational skills. Thoroughness and attention to detail are essential. Strong interest in the financial markets.

**QUALIFICATIONS:**

The candidate should have a Bachelor's degree with a successful track record of high academic achievement from a reputable university. Strong demonstrated skills in MS Excel and MS PowerPoint for data analysis and presentation making is essential. Native fluency in one or more of the following Asian languages – Japanese, Cantonese, or Mandarin is a must, and previous work experience in Asian market would be strongly desirable. The candidate should have the ability to apply innovative thinking to complex business tasks and the ability to communicate and interact with all levels of management on a regular basis. Previous investment or financial services industry experience would also be considered favourably.
