

A member
of the Orpheus Group

REID STREET
SERVICES LIMITED

Reid Street Services Limited is an insurance management company servicing reinsurance and segregated account company affiliates of Orpheus Group Ltd., including American Overseas Reinsurance Company Limited (AORE). We are seeking a:

PRESIDENT/CHIEF FINANCIAL OFFICER

The President/CFO will be a hands-on leader with responsibility for managing all company operations, with particular emphasis on accounting and financial reporting. The President/CFO will have the following accountabilities:

- Oversee company operations to ensure efficiency, quality, service, and cost-effective management of resources.
- Design and execute company operational procedures, policies, and standards.
- Serve as an officer or director of the company's insurance management clients, as necessary, including president of Orpheus Group Bermuda operating subsidiaries and CFO of AORE.
- Evaluate performance of the company's staff for compliance with established policies and objectives of the company and contributions in attaining objectives.
- Manage relationships with company regulators and other constituents.
- Present company reports at quarterly board meetings and annual shareholders' meetings.
- Review, complete and ensure the accuracy and timeliness of the quarterly and annual US GAAP Financial Statements, Bermuda Statutory filings and reporting to the Bermuda Stock Exchange as appropriate.
- Coordinate all matters in connection with year-end audits.
- Develop, document and maintain accounting policies
- Establish and maintain systems, procedures and internal controls and coordinate with internal auditors.
- Manage the treasury operations of the Orpheus affiliate clients.
- Business planning including preparation of an annual budget and forecast revisions
- Monitoring cash flow, accounts payable, accounts receivables and payroll
- Conducting and/or contributing to appropriate business analysis
- Monitoring changes in US GAAP and assessing the impact on the companies we manage

Qualifications & Experience:

- CA, CPA, ACA accounting designation
- A minimum of six years' post qualification work experience, and a minimum of five years experience in the insurance or reinsurance industry
- Supervisory experience in a financial reporting capacity or experience as a manager with an accounting firm
- Excellent knowledge of U.S. GAAP, Bermuda Stat and P&C (re)insurance accounting and disclosure requirements. Financial guaranty experience is desirable.
- Excellent communication skills and a high degree of competence, organizational skills and professionalism
- Ability to work both independently and with persons across all functional areas within an organization. Ability to motivate staff and simultaneously manage several projects.
- Proficient in the Microsoft Office Suite and generally knowledgeable of IT Systems
- Willingness to work evenings and weekends as needed.

Detailed resumes should be sent in confidence to:

David Steel at dsteel@AORELTD.bm
