

## **Business Analyst**

Validus Reinsurance, Ltd. ("Validus Re") is the Bermuda based Class 4 operating subsidiary of the Validus Holdings Ltd., a NYSE listed company. Due to recent and continuing growth, we are seeking a Business Analyst.

### **Responsibilities will include but are not limited to:**

- Responsible for maintaining and running our proprietary property retro model
- Research our proprietary data warehouse and create analysis reports for both internal and external use
- Analyze the company's exposure aggregation including market share and year on year changes
- Develop and execute Client Peer Comparisons including data quality, loss potential and market share analysis
- Assist in the development and operation of our internal portfolio optimization procedures

### **The successful candidate will meet the following requirements:**

- Bachelor's Degree in relevant discipline; extensive experience in programming or modeling, as evidenced by a minimum of 3 years of relevant experience, may also be qualifying
- 3+ years in MS SQL Server, with an emphasis on programming, required
- Proven quantitative and analytical skills
- Technical skills including SQL Programming and Database knowledge
- Working knowledge of external vendor cat models and comfortable accessing data tables
- Ability to translate business needs into technical solutions, a fundamental understanding of reinsurance is strongly preferred

If your experience matches the above criteria, please send your resume and cover letter highlighting your experience as relevant to the role to:
