## SENIOR VICE PRESIDENT, BERMUDA GENERAL CASUALTY MANAGER

The successful candidate will be responsible for the management and profitable growth of a large portfolio of excess casualty business. This position is based in the Bermuda office and will report directly to the Chief Underwriting Officer, Bermuda Insurance.

### Responsibilities Include:

- Achieving the department's performance objectives
- Maintaining underwriting guidelines and rating mechanisms
- Assisting with the department's reinsurance treaty and setting department standards for workflow and policy wording
- Setting the marketing and strategic direction for Bermuda General Casualty
- Directing client and broker relationships, as well as the training and development of the underwriting staff

### Education, Skills and Experience:

*The successful applicant will preferably have the following:*

- Minimum of 15 years of experience underwriting lead umbrella through upper layer excess casualty for Fortune 1000 and other large accounts, including Energy, Chemical, Construction, Pharmaceutical Life Science, Heavy Manufacturing, Transportation, and complex Product accounts. Experience in primary casualty underwriting is desirable as well
- Minimum of five years of senior level supervisory management experience to include referral underwriting, business planning and profit and loss responsibility
- University degree in Business or similar field
- Strong marketing, negotiating, and presentation skills
- Strong understanding of ISO forms, Bermuda Market forms, London forms, and manuscript wording, inclusive of occurrence reported, claims made, and occurrence wordings
- Familiarity with primary loss history analysis, loss rating and primary rating methodologies
- Significant experience dealing directly with senior brokers and risk managers in Bermuda and the United States
- Knowledge and experience in working with Microsoft Office Suite (Word, Excel and Outlook)
