

“God creates and governs the universe, including man.”

Mary Baker Eddy, Discoverer and Founder of Christian Science

You are invited to attend a **FREE** Christian Science lecture that will offer practical answers to unemployment, grief, financial troubles, bad habits and life's challenges by learning about the ever-present universe of Spirit, where God's laws are in full operation!

Lecturer: Mr. Ricardo Saldivar, CS
Lecture Topic: Understanding That
We Are Spiritual Right Now!

Lecture Date: Tuesday April 3, 2012 - 7pm

Location: Charities House
25 Point Finger Road, Paget

Discover how Christian Science can improve, heal, and transform your life through an understanding of the spiritual universe and the present fullness of God's love and care.

ALL ARE WELCOME!
