

Deputy Gallery Director

A personable administrator with outstanding sales and marketing ability is required for our new Caribbean Art Gallery, Tapas and Wine Bar.

A successful background in the art world is preferred together with organizational and entrepreneurial talent. The Gallery will focus on Caribbean and Latin American Art, and in particular emerging talent. Knowledge of the Spanish language would be helpful, but certainly not essential.

This is a hands-on, multi-functional position which requires a hospitable and hard-working professional willing to undertake the many basic tasks required at the Gallery.
