

Accounting Services Manager

Are you a results-oriented Accountant who enjoys management?

As Bermuda's largest management consulting and business process outsourcing company, Expertise is retained by many employers to provide interim accounting support, outsourced accounting and payroll services.

We are presently seeking a business-savvy accounting professional to manage our quickly expanding outsourced accounting services team. This is an exciting opportunity for a results-oriented accounting professional who excels at providing sound financial advice to Senior Management and leading a team of qualified accountants.

Minimum Skills, Qualifications, & Experience:

- ◆ CA, CPA, ACCA or equivalent with at least 5 years post qualification experience in a business environment, including at least 2 years at the Controller or Assistant Controller level
- ◆ Experience with multiple accounting systems
- ◆ Excellent presentation and communication skills
- ◆ An intermediate to advanced skill level in Microsoft Excel and Word

If you do not possess the minimum qualifications and experience for this position but would be interested in learning about other career opportunities with Expertise, please contact Kyla on 296-0336 or kylah@expertise.bm. If you are qualified for this position, please apply by emailing your CV to hr@expertise.bm.
