HSBC Bank Bermuda Limited has a challenging career opportunity available in the Finance Division for Corporate Accountants to maintain and develop accounting systems and procedures, ensuring adequate accounting and control for various accounting functions, and providing accurate and timely accounting statements and reports.

Major responsibilities

- Production of monthly, quarterly and annual financial reporting for management including trend and variance analyses, commentaries and profitability reports for products and divisions
- Preparing income and expense budgets and forecasts. Consolidating and summarising profit and loss and capital expenditure budgets
- Preparing special financial and statistical reports and analysing unusual items on financial or control reports
- Developing clear and informative methods of presenting financial data and undertaking special projects and studies of a financial nature
- Reconciling cash, suspense and investments accounts, and assisting with any compliance issues including reviewing profitability results for integrity

Minimum qualifications

- Bachelor's degree and an internationally recognised accounting qualification (e.g. CA). CFA designation or graduate degree would be an advantage
- One to four years' post qualification experience including audit experience
- Advanced knowledge in spreadsheet development, general accounting, budgeting, reconciliations, design of computerised procedures, GL and payables system functionality, report writing, and application of International Financial Reporting Standards (IFRS)
- Strong oral and written communication skills and presentation skills
