

Residential & Nursing Care Home

Westmeath Residential & Nursing Care Home is Bermuda's largest private residential and nursing care facility. We seek applications from dedicated and energetic professionals for the position of **DIRECTOR OF NURSING**.

Job Description includes but is not limited to

- Ensuring the health, safety and well-being of the residents
- Oversee and direct all nursing staff, promote staff development and perform staff evaluations
- To develop and implement nursing service objectives, policies and procedures to maintain quality nursing care
- Monitor the quality of care provided to the residents and evaluate the impact of nursing policies and procedures on resident outcomes through quality assessment and assurance programs
- Budgeting and strategic planning
- Liaise between the residents, their families, staff and the community
- Requires evenings, weekends and public holidays

Requirements

- Qualified Registered Nurse from an accredited School of Nursing, Master of Science in Nursing preferred
- Five years of nursing experience, preferably in a long-term care facility, including at least two years in a management position
- Currently licenced with the Bermuda Nursing Council
- Excellent management, communication and computer skills
- Health certificate attesting to physical fitness for this field of work

Qualified candidates should apply in writing with resume and references to:
