

MANAGER, BUSINESS DEVELOPMENT

Bermuda Investment Advisory Services Ltd. (BIAS) is a dynamic, growing company that provides full investment advisory and asset management services to companies, trusts, and private clients. The Manager, Business Development will be responsible for successfully identifying and developing new sales opportunities while maintaining existing clientele. Compensation will consist of a base with performance incentive.

Responsibilities and Duties Include:-

Business Development:

- Build and expand networks with business communities in Bermuda, Cayman, British Virgin Islands and other offshore centres.
- Identify key relationships in Local Trust and Captive Insurance Companies.
- Prospect and generate leads and turn qualified prospects into clients.
- Responsible for new business acquisition and growing existing business incrementally.
- Identify and develop new market opportunities.
- Deepen/further existing relationships with clients.
- Make presentations to clients and prospective clients.
- Build and maintain distribution channels for BIAS' suite of products and services

Branding:

- Build brand awareness with target markets
- Create and manage advertising campaigns
- Develop collateral materials to support sales efforts
- Ensure website content is up-to-date with relevant information
- Develop interactive media

Client Relationship Management:

- Manage relationships with Captives, Trust Administrator and high net worth clients
- Prepare periodic reports for existing clients as well as proposals for prospective clients.
- Document client communications in contact management software (ACT!).
- Supervise the preparation and maintenance of all paperwork necessary regarding trades, transactions and client documents.
- Participate as a member of the Investment Research Committee.

Educational and Work Requirements Include:-

- A university degree, preferably in commerce, finance or economics.
- An appropriate investment qualification (CFA preferred) with a minimum of 5 years experience in developing corporate and private client relationships.
- Existing business relationships (non-restricted) in offshore centres.
- Strong written and verbal skills are essential.
- Ability to travel, to work without supervision and the willingness to work long hours if necessary.
- The individual must be energetic, visionary and willing to relocate to other offshore jurisdictions if required
- Strong PC skills, particularly with database and spreadsheet applications.
