

## Professional Telephone Interviewers

Have you recently been laid off? Are you in between jobs? Mindmaps is hiring!

Mindmaps is a local Market Research company. The company prides itself in having a local team and invites applications for the post of Professional Telephone Interviewer.

The ideal applicant should have a pleasant and professional manner, be fluid and articulate in reading and following an interview script, be attentive to detail and be computer literate.

All applicants should apply by email only and by sending a resume and short cover letter to **[marketing@mindmaps.bm](mailto:marketing@mindmaps.bm)**.

We are currently recruiting qualified interviewers for an immediate start.
