

**REQUIRES A
SENIOR FASHION & ACCESSORIES BUYER**

The post will involve:

Overseas Sourcing, OTB Management and Sales Forecasting, Supplier Liaison And Negotiating, Product Mix and Market Development, Purchase Order Management, Customs Clearance, Shipping Liaison, Receiving Shipments, Debits/ Credits, Pricing/Ticketing, Store Promotions/ Markdowns and Inventory Control.

The Candidate will need to have a minimum of five years experience in Fashion Buying and a Proven Sales and Merchandising Strategy. Strong Negotiating skills are vital as are Rex and AS400 experience. Knowledge of both European and US markets are needed and European Language skills would be advantageous.

As a member of the Senior Management Team, the Candidate should be able to demonstrate their team building and retail training skills, particularly in stock management systems and product knowledge.

This is a challenging full time position requiring overseas travel, and candidates should be prepared to work extended hours when necessary. We offer a comprehensive health insurance plan including major medical, private pension, and a 30% staff discount.
