11 Cheriton Lane, Pembroke

## We are seeking Spa Therapists

A new Deluxe Spa will be opening in Hamilton and the owner is seeking talented and passionate Spa Therapists to join a successful team.

Spa Therapists must be excellent and confident communicators with exceptional people skills with proven ability to deliver an outstanding professional product. Our client requires therapists who will not only provide service with a smile but also be passionate about working in a team environment and also possessing the talent to lead and direct their work for the greater benefit of the guests. The spa intends to use organic products, it would be an asset to the applicant that they are familiar with organic products and their applications and benefits. The Spa intends to treat guest of all ages and it would be beneficial for the therapist to be sensitive with all our guest.

**Requirements:** Spa therapists must have a minimum of three years previous work experience within the Health and Beauty industry including certifications/diplomas from a reputable institution. Therapists must be willing to assist with front office duties including the checking in and out of clients, processing client accounts and maintain the high standard required in therapy rooms.

Interested candidates should forward a CV and two written references to:
