

## Co-Chief Financial Officer

**Position:** The Company is searching for a Co-Chief Financial Officer to lead the financial oversight and day to day operations of the company's activities. Reporting directly to the CEO, this senior executive role will suit a hard working and dynamic market professional looking for the next challenge in their career. Those without executive management experience with a hedge fund or fund of hedge funds should not apply.

**Responsibilities:**

- Strategic direction for the financial operations of the management company and Fund
- Financial reporting and coordinating annual audits
- Full coverage for COO including the Fund's NAV, reconciliations & settlements
- Global tax reporting and research
- Presenting to equity shareholders and potential investors
- Risk management of investment products
- Compliance relating to all entities
- Negotiating all legal agreements & structuring new products
- Accounting, budgeting & forecasting for the management company
- Process improvements and enhancement of internal controls in line with best practices

**Qualifications:** Applicants must have:

1. a minimum 10+ years post accounting qualification experience in an executive financial leadership role at a hedge fund or a fund of hedge funds
2. a recognised accounting designation (CA, CPA) and undergraduate Degree,
3. extensive experience producing and supervising fund NAV calculations,
4. experience negotiating & coordinating with external legal counsel in relation to constitutional documents, counterparty/vendor agreements and new products, and
5. comprehensive knowledge of the hedge fund industry from a senior executive level.

The ideal candidate will also have:

1. advanced financial reporting experience under GAAP,
2. familiarity with U.S. tax reporting,
3. strong understanding of financial risk management and oversight,
4. in-depth understanding of a variety of complex trading strategies, especially the range of products and strategies employed at the Company,
5. current understanding of global compliance requirements for hedge funds, and
6. advanced proficiency using Microsoft Excel and QuickBooks.

**Company Overview:** Revelation Capital Management Ltd. is a Bermuda based company that acts as investment manager to the Revelation Special Situations Fund Ltd. (the "Fund"). The Fund invests in equity event driven / special situation strategies, and has a strong track history, generating a consistent and uncorrelated return profile since launch in March 2005.

**Qualified applicants should email their CV to: [applicants@revelationcm.com](mailto:applicants@revelationcm.com)  
Deadline: 27<sup>th</sup> June 2012**
