

Actuarial – Manager

PwC is Bermuda's largest professional services firm, with a global network of more than 161,000 people in 154 countries. We rank among the world's leading employers of highly skilled professionals. Clients range from the world's largest and most complex organisations to some of its most innovative entrepreneurs.

At PwC Bermuda you'll be challenged by the work we do, and the environment in which our clients do business. Your ideas will be valued and your individuality will be recognised. We encourage you to consider a career in our dynamic environment and allow us to help you realise your goals.

The Role:

You will provide actuarial services to our property and casualty insurance clients, support our insurance industry services group and assist in the further development of our actuarial consulting practice.

- Provide actuarial support to our large audit practice in respect of Bermuda-based insurers and reinsurers and captive insurance companies;
- Provide actuarial consulting services including reserving, pricing, risk and capital modelling and other actuarial projects;
- Assist in the further development of our actuarial consultancy practice;
- Supervise and coach junior actuarial staff; and
- Provide training to new audit staff on actuarial issues.

Required Skills and Experience:

The successful candidate will have attained Fellowship of the Institute of Actuaries or Casualty Actuarial Society (or equivalent) and at least 6 years experience within the insurance industry, and will meet the following requirements:

- Prior reserving or auditing experience is required;
- Proficiency with Microsoft Office programmes;
- Knowledge of catastrophe and capital modeling processes a plus;
- Excellent communication, organisational and interpersonal skills;
- Ability to work under pressure and manage several ongoing projects simultaneously while meeting tight deadlines; and
- Flexibility to work evenings and weekends as required.

Interested candidates should apply in writing, including your resume to:
