HSBC Bank Bermuda Limited is seeking a qualified Senior Corporate Analyst in their Finance division. The Senior Corporate Analyst will be responsible for preparing and analysing business results and rolling operating plans.

Major responsibilities

- Developing monthly management reports for submission to local management, regional finance teams and HSBC Group Finance. Providing support to businesses and functions for their separate Group reporting and ensuring consistency with Group reports
- Managing month-end transfer of data into the reporting systems, ensuring data integrity across databases and applications, reviewing processes and identifying potential efficiencies, and assisting with the evaluation and implementation of new systems as they relate to management reporting
- Maintaining and assisting with developing revenue and expense attribution for customer group and product reporting
- Assisting with coordination and compilation of rolling operating plans and latest estimates

Minimum qualifications

- Internationally recognised accounting qualification (i.e. CMA, ACCA, CA)
- At least three years post-qualification experience, preferably in the financial services industry
- Strong financial analysis, time-management and organisational skills with a demonstrated ability to work accurately to tight deadlines.
- Advanced computer skills, particularly using MS Excel and using and developing reports with OLAP products such as Essbase and TM1.
