

Claims Analyst

Validus Holdings Limited (the "Company") is a NYSE listed company, with operations primarily consisting of a Class 4 reinsurer writing short tail property catastrophe lines of business in Bermuda and a Lloyd's syndicate in London. We are seeking an experienced Claims Analyst with excellent analytical and communication skills to assist in coordinating and administering the claims activities of the Company.

Responsibilities will include but are not limited to:

- Monitoring, analyzing and managing claim information received from the company's cedents, their brokers and market sources
- Communication and correspondence with cedents' brokers with respect to claim information
- Reviewing reinsurance contracts to confirm certain essential elements for coverage with respect to claims received
- Extensive interface with and management of SICS/nt claim system
- Providing periodic and detailed claim reporting to management
- Liaising with finance and underwriting departments with respect to claim activity

The successful candidate will meet the following requirements:

- Three to five years in a reinsurance Claims Analyst or similar role
- University degree a plus, but not essential
- Experience with SICS claims system
- Good understanding of reinsurance business operations
- Ability to think critically and implement solutions
- Excellent analytical and communication skills

If your experience and ambition matches the above criteria, please send your resume and covering letter highlighting your experience as relevant to the role to:
