PATHOLOGY QUALITY MANAGER

LABORATORY

BHB ensures the highest quality health care through service excellence, education and leadership. We seek qualified, highly motivated and experienced professionals to work in a supportive but demanding environment.

Key responsibilities include:

- Takes the lead role in the establishment and implementation of a Pathology Quality Policy and Quality Management System for the Department of Pathology
- Maintains and develops the Pathology Quality Manual and the Quality Control program for all departments and shifts
- Maintains complete and comprehensive records for the Laboratory Quality Management system
- Develops the Quality Control procedures, computes statistical data and coordinates external proficiency testing programs along with the Senior Technologists
- Establishes, maintains and reviews all quality control records along with the Senior Technologists
- Develops and maintains a laboratory performance improvement program and ensures monitoring of components and customer feedback
- Supports all pathology departments in the investigation of service complaints and incidents, ensuring that reports are available to the Pathology Manager, Clinical Directors and section seniors as appropriate. Ensure that corrective actions are taken, documented and resolved

Qualifications & Registration required:

- Bachelor of Science in Medical Technology, Higher National Certificate, Diploma in Medical Technology or equivalent
- Registration with a professional licensing body in medical technology such as A.S.C.P., A.M.T. or equivalent
- Diploma/Certificate in Quality Management preferred or to be completed after appointment
- Must be registered with the Allied Health Council as required by Bermuda Law
- Not less than five (5) years post graduate experience in a medical laboratory
- 2 years experience as a Quality Manager preferred, not required

If you want to make a difference, visit www.bermudahospitals.com, and apply through **BHB Jobs NOW**.

Select "Work at BHB" and follow the steps.

Closing date for applications is: August 20, 2012. Pre-employment substance abuse screening is mandatory for all successful candidates.
