

Join a team who cares about excellence

CLINICAL BUSINESS ANALYST/ACCOUNTANT

FINANCIAL SERVICES DEPARTMENT

BHB ensures the highest quality health care through service excellence, education and leadership. We seek qualified, highly motivated and experienced professionals to work in a supportive but demanding environment.

Key responsibilities include:

- Provides financial information/reports on Medical-departmental profit and cost centers that are not limited to monthly/quarterly financial performance and variance analysis against actual and budgets
- Regularly monitors physician's group portfolio against set, targeted financial outcomes
- Responsible for ensuring that contracts or agreements exist for all financial transactions and reviews/analyses the financial terms of these contracts prior to submission to Human Resources and Finance
- Maintains a schedule of income for the Service detailing contractual agreements where appropriate
- Continuously reviews transactions within Directorates to ensure compliance with delegated limits and approved processes ensuring that where breaches have occurred that appropriate disclosure is made and action taken to prevent recurrence
- Assists in the identification of efficiency savings and gives guidance on the implementation of cost improvement programmes and recovery plans. Also, facilitates the delivery of a cost efficient and effective service. Maintains a system for reporting achievements of cost improvement programmes for periodic reporting to the Chief Financial Officer

Qualifications &/ Registration required:

- Bachelors Degree in Accounting, Finance or related discipline
- Qualified Accountant with 5 years post qualification experience
- 3 - 5 years of health care finance experience working in a hospital or health system setting preferred
- Demonstrated knowledge of the health care delivery system in Bermuda, the U.S., the U.K or Canada
- Minimum 3 years of experience in financial databases, systems applications and installations
