

## Looking for a career in a leading edge IBM Technology Company?

BCS Agencies Limited (BCS) provide integrated Information Technology and E-Business solutions to private and public sector clients in Bermuda.

BCS Agencies Ltd. is the exclusive agent in Bermuda for IBM products and services.

To enhance our status as the premier supplier of information technology solutions and services in Bermuda, and to satisfy the demand created by our expanding customer base, we are looking for a special individual to join our very successful team.

### System Services Representative

As a member of the customer services and support team, this position requires the qualified individual to assume responsibility for maintenance, enhancements and upgrading of all IBM equipment. The successful candidate should have a minimum of 5 years practical, hands-on technical hardware services experience, and be certified to work on IBM i-Series (AS/400), x-Series, Blade Centers, p-Series (RS/6000), and storage (SAN) products. In addition, specialist knowledge of Wincor ATM's, IBM/POS solutions, IBM printers, uninterruptible power supply (UPS), and networking products is required.

BCS has an extensive client base covering a full array of diverse IT products and services. Candidates for the position must be available to work overtime, weekends, public holidays, and rotational on-call support.

*BCS is an equal opportunity employer and provides a comprehensive benefits package including on-going education at IBM training centers throughout North America.*

Interested applicants are requested to apply by sending their résumé in confidence to:
