

## Senior Financial Accountant

BF&M Insurance Group is seeking an enthusiastic individual to join our Finance team as a Senior Financial Accountant.

### **Primary responsibilities include, but are not limited to the following:**

- Daily supervision of team activities including bank deposits, accounts payable, accounts receivable and inter-company recharges
- Assist with quarter end consolidation closing process
- Variance analysis reporting at an account, line of business and group level
- Ensure monthly and weekly deliverable targets are met
- Assist in preparation of financial statements including notes and support
- Act as a contact person for external audit
- Assist in research and recommendation of accounting policies, and implementation of new accounting pronouncements
- Assist with coordination and preparation of regulatory filings in multiple jurisdictions
- Special projects as required

### **Minimum Skills and Experience:**

- Eligibility for membership in the Institute of Chartered Accountants of Bermuda
- 3 + years' post-qualifying experience in financial reporting within an insurance/reinsurance company
- Experience in a multi-system environment, e.g. Great Plains, AS 400 and Wynsure
- Excellent interpersonal and communication skills are essential
