FIRST MATE

We are looking for a First Mate for the vessel "Venetian" with at least two years experience. Successful applicants must have a minimum of a STCW Certificate. Applicants must have at least two years experience onboard private motor yachts of 90 feet or greater as well as strong hands-on engineering experience. Tender Operator's Licence would be a plus. A professional appearance is essential.

Experience with Azimut Yachts or similar fiberglass design/production, scuba experience for underwater repairs, previous experience with MTU diesel propulsion or similar as well as some experience with charters is preferred. Duties will include but are not limited to operating day evening and overnight charters within Bermuda Territorial Waters, blue water crossings between Bermuda and the U.S., daily maintenance of the vessel and hurricane watch. Must be able to work overseas during maintenance periods.

Successful applicants must be approved by an insurance company for operation of the vessel, be prepared to submit to drug testing and a thorough background check.

JUNIOR MATE

We are looking for a Junior Mate for the vessel "Venetian" with at least one year experience. Successful applicants must have a minimum of a STCW Certificate. Applicants must have at least one year experience onboard charter vessels. A professional appearance is essential.

Duties will include but are not limited to operating day evening and overnight charters within Bermuda Territorial Waters, blue water crossings between Bermuda and the U.S., daily maintenance of the vessel and hurricane watch. Must be able to work overseas during maintenance periods.

Successful applicants must be approved by an insurance company for operation of the vessel, be prepared to submit to drug testing and a thorough background check.
