

We are seeking an applicant for the following position:

### **Chef de Partie**

We require a fully trained chef from an accredited culinary institution. Included among skills must be the ability to produce baked goods, decorating and planting various pastries and desserts. Duties will include but not limited to pastry making. Our organization is small so versatility and dependability is imperative. The successful applicant must be willing and available to work in shifts as well as to be on call days and evenings.

References from previous employers required.

(No telephone calls)
