Senior Stylist Position:

We are a new, up and coming, trendy full service hair salon looking to expand our staff. If you are a “people person;” and a team player who looks forward to a challenge, then we are interested in meeting with you!

Salon Pink is looking for both a Senior Stylist who is customer friendly, self motivated, responsible, team oriented and who understands and follows the principles of salon service excellence.

We prefer all Senior Stylist applicants have a minimum of 3-5 years experience to be City & Guild trained preferably or equivalent to. A portfolio that shows your accomplishments and “style” will be accepted also.

We provide a learning environment and if you are open to education and looking for a place to expand your skills, we could be a perfect match!
