

CATLIN

Actuary

Catlin Insurance Company Ltd. (Catlin Bermuda) is a member company of Catlin Group Limited, a substantially capitalized, publicly listed Bermuda-based specialty insurer and reinsurer.

Catlin Bermuda has an immediate vacancy for an actuary to be an integral part of our rapidly growing Bermuda team, playing a key role working with underwriters in developing a profitable, well balanced portfolio of reinsurance and insurance business.

Reporting to the Chief Actuary, the successful applicant will be responsible for the following:

Key responsibilities include:

- Provide pricing support to the underwriters through pricing of individual cases and improving existing models for property treaty, casualty treaty, agriculture and financial products;
- Carry out the parameterization for underwriting risk for allocated classes of business within the company;
- Calculate and communicate reserving results to the Chief Actuary and CUO on a quarterly basis for allocated classes of business within the company;
- Execution of portfolio analysis on current lines of business and potential new lines of business;

Applicants must possess the following qualifications, skills, and experience: -

- Economics or Math related degree from a recognized University
- Be a nearly qualified or qualified Actuary (FCAS/FIA/FSA, or equivalent)
- Have a minimum of 3 years pricing experience within commercial insurance or reinsurance in the London, Bermuda or US markets.
- Possess excellent technical and computer skills including a high level of proficiency in Excel.
- Be a first class communicator with experience in working with underwriters and brokers
- Be able to work on own initiative and operate in a close team.

Please apply in writing, with resume and professional references, to:-

**The Head of Human Resources
