

*We are retained to recruit by many of Bermuda's finest employers. Nephila is one of them.*

## Senior Developer/Team Lead

Nephila Capital Ltd., a Bermuda-based hedge fund manager, invites applications for the position of Senior Developer.

The successful candidate will be responsible for the design and on-going development of a trading/portfolio management system along with suite of associated tools that produce analytics/risk metrics for a family of investment funds linked to reinsurance, bonds and weather derivatives.

The candidate must have a proven track record of meeting tight deadlines in a fast paced environment along with excellent problem solving skills.

### **Key Responsibilities:**

- Work with CTO, development team and stake holders to ensure business needs are met and prioritized accordingly
- Work on the development of client applications using WPF, MVVM, MVC, JSON and JQuery
- Work on the development of business services using Restful Web API 4, WCF 4 and WF 4

### **Minimum Qualifications, Skills & Experience:**

- Bachelor's Degree or higher in Mathematics/Computer Science or Information Technology
- Strong experience using Microsoft C# 4.0 with a solid understanding of: generics, dynamics, reflection, Linq and lambda
- Experience using OOP and applying design patterns, GoF/SOLID
- Proven experience using NHibernate and TSQL
- Strong experience using dependency injection frameworks (Unity, Castle Windsor or AutoFac) and Inversion of control
- Experience using a service bus (nServiceBus, MassTransit, Rhino Service Bus)
- Good hands on experience using Scrum/Agile
- Good knowledge of Test Driven Design (TDD), Mocking and Continuous Integration (nUnit, TFS, TeamCity)
- Scrum Master
- Microsoft Certification in Windows Client development (MCAD) and/or Windows Presentation development (MCTS/MCPD)
- Excellent communicator with a demonstrated ability leading and managing a development team

Candidates will be required to undertake technical interviews and practical exercises to demonstrate their ability and skill level.

Nephila offers competitive remuneration package based on experience and qualifications in addition to other attractive benefits and compensation. Due to the nature of the company's business, the working of overtime including some public holidays will be required from time to time.
