

Join a team who cares about excellence

CHIEF OF STAFF

Executive Office

Bermuda has many reasons to be proud of its healthcare services. King Edward VII Memorial Hospital (KEMH), Mid-Atlantic Wellness Institute (MWI) and the Lamb Foggo Urgent Care Centre offer comprehensive diagnostic, treatment and rehabilitative services in response to Bermuda's full spectrum of medical and mental health needs. Our mission is to ensure the highest quality care and to be the first choice provider for health and wellness for all Bermudians, expatriate communities and the many thousands of visitors who come to our islands each year. As part of a programme of major change, the Bermuda Hospitals Board (BHB) will open a brand new, state of the art facility at the KEMH site in 2014, which will further develop our profile as a world-class healthcare provider. There has never been a more exciting time to join BHB. As the new Chief of Staff you will play a central role in this change.

The Role:

- Lead and inspire BHB's medical workforce, ensuring that we continue to deliver care that is safe, effective, responsive and of world-class standards.
- Play a leading role in the development of relationships with external stakeholders including our insurance partners, Bermuda Government, and clinical partners at home and in the US.
- Build the management and leadership capacity of BHB's medical workforce, ensuring effective succession planning for the future by developing home-grown talent.

The Candidate

- Graduate of an accredited medical school; advanced fellowship or postgraduate qualification; current certification with appropriate licensure to practice medicine; ability to meet licensing requirements to practice medicine in Bermuda.
- Minimum of five years' experience in a senior clinical leadership capacity at departmental/board level within major hospital provider organizations.
- Experience of operating within integrated primary and secondary care services, with the ability to work across organizational boundaries to deliver higher quality patient care.
- Commercially astute and with excellent political antennae; considerable professional credibility, able to build relationships at all levels and operate within all arenas.
