

Bermuda Hospitals Board

Request for Proposal: Podiatrist- Continuing Care Units

Bermuda Hospitals Board (BHB) is requesting a proposal for a podiatrist for patients residing in the Continuing Care Units at the hospital. Respondents must provide the following service:

- General maintenance and care of feet
- Removal of ingrown toenails
- Clipping of toenails
- Wound care
- Callous removal and minor procedures under local anesthesia

Services will be provided quarterly at King Edward VII Memorial Hospital, 7 Point Finger Road, Paget. Fee structure is based on a flat patient rate.

An official tender document may be requested via email to Anthony Hunter, BHB Procurement Manager (anthony.hunter@bhb.bm) by close of business on **10 October 2012**. Completed proposal package must be submitted by close of business on **26 October 2012**.
