

LIVE-IN CAREGIVER/HOUSEKEEPER

Our client, Mrs. Sybil Young, requires an honest, responsible and mature Live-In Caregiver/Housekeeper to care for an elderly female in her own home. The applicant will be required to assume responsibility for all aspects of the client's care, including but not limited to daily hygiene and all aspects involved in the care of the client's health and well being including administering medications, grocery shopping, meal preparation and outings. The household duties include windows, laundry, ironing and general heavy household duties.

The successful applicant must possess:

- Previous experience in caring for the elderly and able to provide references, which will be verified;
- A valid Bermuda Driver's Licence or willing to obtain one;
- Able to prepare and cook all meals for the client;
- Knowledge of First Aid/CPR training is an asset;
- Command of the English language both written and oral.

Please apply in writing with 3 written references, together with Resume to:
