

Our client - Platinum Underwriters Bermuda, Ltd. – invites applications for the position of:  
***Vice-President, Actuary***

Our client ... Platinum Underwriters Bermuda, Ltd. is a leading provider of property, casualty and finite risk reinsurance coverage, through reinsurance intermediaries, to a diverse clientele on a worldwide basis. Platinum operates through its principal subsidiaries in Bermuda and the United States.

Platinum is looking to hire an experienced VP, Actuary who will report to the Senior Vice President, Actuary. Working in a fast-paced, highly professional environment, specific tasks to be assigned by the SVP Actuary will include, but not be limited to:

- Update Ultimate Premium, Loss & ALAE and Premium reserve analysis quarterly using the Company actuarial accrual system;
- Determine the a priori loss ratios and update as needed reporting and payout patterns by Reserving Class;
- Work with Finance on existing and upcoming statutory financial reporting requirements;

- Maintain documentation as required by Sarbanes-Oxley controls;
- Monitor large losses and unusual accounts; and
- Complete special studies and ad hoc assignments, as needed.

***Qualifications, skills and experience:***

- Educated to Bachelors degree level from an accredited college or university; mathematical or statistical science preferred;
- FIA, FCAS or equivalent professional designation required;
- Circa 10 years work experience relevant to the above responsibilities, of which at least 5 years has been within reinsurance;
- Strong knowledge of statistics, with the ability to apply intellect and knowledge in areas where there are a few established models;
- Bermuda market experience would be an advantage;
- Strong computer skills including V-Basic, MS Excel and Access;
- Excellent written and oral communications ability; and
- A team player, but with well developed sense of self-motivation.

This is a role that would be suited to an Actuary working in the reinsurance industry in Bermuda or internationally, looking to develop his/her career within a first-class organization.
