

Our client - GE Capital International Finance (Bermuda) Ltd., - invites applications for the position of

Manager of Finance (Part-time position)

Our client... **GE Capital International Finance (Bermuda) Ltd.**, an international financing and holding company, invites applications for the position of Manager of Finance. Due to the recent outsourcing of certain elements of the company's accounting and finance activities, this is a part-time position requiring approximately three to four days work per week.

Key responsibilities will include:

Reporting to the Manager of Funding Structures, you will be responsible for the implementation and administration of complex financing strategies for GE Capital's international operations. As manager of both local and international affiliates, you will be responsible for:

- Managing the accounting, financing and taxation related to a diverse and significant international intercompany loan portfolio;
- Coordinating with the GE tax team on implementing funding structure strategies including formation and reorganization of complex financing structures and the preparation and review of transaction agreements;

- Providing financial and analytical reports for tax planning and analysis;
- Ensuring compliance with corporate governance and regulatory requirements in various jurisdictions, including the organization and presentation thereof;
- Managing statutory financial reporting, account reconciliation and external audit processes; and
- Designing and maintaining a loan portfolio accounting and reporting system.

Required skills and qualifications:

- A recognized professional accounting designation (CA, CPA) and a minimum of ten years post qualification experience, including knowledge and use of US GAAP and IFRS;
- Proven analytical skills and experience in leading projects involving complex structures and transactions including debt/equity financing and corporate restructurings, will be essential;
- International tax planning experience is necessary;

- Thorough knowledge of corporate and regulatory requirements and treasury functions including experience in international cash management and financial instruments are necessary;
- Excellent organizational, leadership and interpersonal skills; and
- A strong work ethic and ability to work overtime and weekends on short notice to meet strict deadlines is also required.

Interested persons should apply by sending a resume in confidence to:
