

Requires a

Financial Controller

Freisenbruch-Meyer Group provides insurance underwriting, broking and management services to the local and international markets. The Group's philosophy is to provide knowledgeable and proactive service to all their clients.

Responsibilities:

- Assist the CFO with all financial reporting of the Freisenbruch-Meyer affiliated companies, which includes quarterly management accounts, monthly financial analysis, budgets, forecasts along with overall cash and expense management
- Daily review of the Company's pension fund activity, liaising with investment managers and fund accountants
- Implementation of new, and continual improvement of existing internal controls
- Assist the CFO with annual audits and statutory filings

The successful candidate must possess:

- Qualified Accountant with a minimum of four years post qualification experience
- Strong knowledge of fund accounting
- Strong knowledge of insurance accounting
- Staff management experience would be an asset, along with the ability to work interactively with the Finance team
- Experience with the Microsoft suite of products is required, and experience with insurance software would be an asset

Bermudians, Spouses of Bermudians, and PRC holders need only apply.

If you have experience and ambition matches the above criteria, please forward a detailed resume and cover letter to:
