

Our client – Zurich Investment Services Limited – invites applications for the position of:

## ***Business Analyst***

Zurich Financial Services Group is one of the world's truly global insurance groups, with operations in more than 170 countries and strong market positions in North America, Europe and Asia. The group has an outstanding international reputation for high quality service, local expertise and utilizes the benefits of a powerful global network.

Zurich Investment Services Limited - Bermuda (ZIS), is the Investment Accounting and Administration (IAA) Center of Excellence for North America (CoE NA), and is an integral and highly valued operating segment of the group.

ZIS is seeking a BUSINESS ANALYST who will be part of the IAA Change Management Team and who will be responsible for supporting various project change efforts in the Bermuda Center of Excellence. Experience in independent business process review and the redesign of business processes and activities is required. The successful candidate will also possess strong communication and analytical skills. This position reports to the Chief Executive Officer of ZIS.

### ***Key Responsibilities:***

- Independently develop, analyze, coordinate and implement detailed business requirements from clients;
- Review and analyze business processes and develop and implement optimizations to processes;
- Analyze and assess impact of business, accounting and regulatory changes; and
- A strong client focus with frequent travel is required.

### ***Skills Required:***

- Educated to Bachelor's degree level from an accredited University is a must (e.g. Mathematics, Statistical Science);
- 3+ years experience in Investment Administration and Accounting is a must;
- 3+ years experience as a Business Analyst or possess a professional accounting designation;
- Experience facilitating workshops and with root cause analysis;
- Experience in defining business solutions and preparing concept and solution documents;

- Solid IFRS/US GAAP accounting knowledge especially covering financial instruments; and
- SAP experience (FSCM, FAM, TRP).

Working of Bermuda Statutory Holidays and overtime are often required.
