

CTC Insurance Management (Bermuda) Ltd. is an independent manager of insurance and reinsurance companies including captives and segregated cell (re)insurers, and a member of the Charles Taylor plc group, a worldwide provider of services to the insurance industry. We are currently seeking a suitably qualified and experienced professional to assume the position of

## **ACCOUNT MANAGER**

Reporting to the Senior Vice President, the successful candidate will assume responsibility for the financial management of a portfolio of insurance and reinsurance company clients. Duties will include:

- Daily management of program cash flows and investments.
- Liaising with ceding companies to obtain and reconcile cession reports and loss runs.
- Preparation of management financial statements.
- Preparation of cell program financial statements.
- Monitoring of collateral requirements.
- Preparation of annual statutory and GAAP financial statements.
- Liaising with auditors, bankers, actuaries and lawyers.

Candidates should, at a minimum, possess the following:

- A professional accounting qualification – CPA, CA, ACA, ACCA
- Be self-motivated with the ability to work in a dynamic and innovative team environment.
- Proven track record of superior client servicing.
- Be proficient in Microsoft Office Products.

Experience of managing insurance and/or reinsurance companies and segregated cell companies, as well as using Sage Platinum general ledger software and Microsoft FRX reporting software would be a benefit.

Candidates will be required to work overtime as necessary in order to meet strict client reporting deadlines.

Interested candidates possessing the above requirements should apply personally by letter marked “Private & Confidential”, enclosing resume and salary expectations to:
