

U.S. Tax Associates and Managers

At PwC Bermuda you will be challenged by the work we do, and the environment in which our clients do business. Your ideas will be valued and your individuality will be recognised.

We encourage you to consider a career in our dynamic environment and allow us to help you realise your goals.

PwC Bermuda's Tax group has exciting opportunities for tax associates and managers to join their team. As a member of the U.S. Tax Team you will assist businesses, individuals and organizations with tax strategy, planning and compliance, whilst delivering a wide range of business advisory services.

This opportunity involves combining industry insight with the technical skills of financial and tax specialists, economists, lawyers and our other in-house experts as necessary, to develop comprehensive integrated solutions.

U.S. Tax Associate

Reporting to tax management, responsibilities will include:

- The preparation and review of U.S. tax returns for insurance companies, investment partnerships and other U.S. tax filings;
- Conducting U.S. tax research and drafting tax technical research memoranda;
- The preparation of presentation materials for the marketing of U.S. tax services; and
- Meeting with existing and potential clients to discuss tax issues.

Essential skills, experience & attributes:

The candidate must possess the following skills and experience:

- Qualified to sit the CPA exam with either a relevant Masters Degree or 5th year equivalent. Candidates qualified to sit the bar exam in a U.S. state will also be considered;
- Minimum of 6 tax credit hours will need to have been obtained;
- Working knowledge of Microsoft Office applications, including Word, Excel and PowerPoint;
- Highly organised, dedicated and self motivated; with
- Excellent communication, interpersonal and time management skills.

U.S. Tax Manager

Reporting to senior tax management, responsibilities will also include:

- The review of U.S. tax returns for insurance companies, investments partnerships and other U.S. tax filings;
- The supervision of U.S. tax professionals in conjunction with
 - Conducting U.S. tax research and drafting tax technical research memoranda
 - The preparation of presentation materials for the marketing of U.S. tax services; and
- Meeting with existing and potential clients to discuss tax issues.

Essential skills, experience and & attributes:

Candidates should also possess the following skills:

- A minimum of 60 months U.S. taxation work experience with an international accounting Firm, international law firm or similar work experience specialising in U.S. tax issues of partnerships and corporations. In addition, a minimum of 36 months of the 60 months tax experience should be in working with hedge funds, private equity funds and other investment partnerships
- A Bachelors Degree with a specialisation in accounting/taxation or a law degree from an accredited university;
- Successful completion of the U.S. Certified Public Accounting exam; or admitted to practice law in a U.S. jurisdiction
- Working knowledge of Microsoft Office applications, including Word, Excel and PowerPoint, ATX and GoSystem;
- Highly organized, dedicated and self motivated;
- Excellent communications, interpersonal and time management skills;
- Ability to coach and mentor more junior team members; and
- Proven track record of working collegially with other management group member to collectively get the job done.
