

requires

## FULL TIME PSYCHOLOGIST

This position calls for a Psychologist in general Mental Health/Behavioural Sciences with at least 5 years' experience addressing a full range of emotional, behavioural, and substance use disorders. The postholder should be a generalist but have a broad experience with adults including family relationship work, children & adolescents, and grief as well as speciality skills in neurological and ADHD assessment.

Executive Coaching and Organizational Assessment are two very significant capabilities required for working with our client companies. This advertisement is posted to ascertain if there are any interested and qualified Bermudians wanting to apply for this position that otherwise will be a contract renewal for the current Postholder. Any applicant would need to be registered (or qualified for registration) with the Bermuda Psychologists Registration Council.

*We have a busy and growing professional practice addressing the needs of our client companies, their staff, and families. Resumes will be reached until December 18th, 2012 and should be sent via e-mail to: vmosher@ibl.bm or be mail addressed to:*
